Arizona Standards Development Committee (ASDC)

Proposed Timeline for Development and Adoption of Mathematics and English Language Arts (ELA) Standards

JUNE 2015
- ASDC holds organizational meeting

JULY 2015
- ASDC holds second meeting, approves the recommendations made by the Department for membership on Mathematics and ELA Subcommittees
- Development and launch of website for Standards
- In conjunction with County Superintendents, public hearings are held to collect feedback on the current Standards

AUGUST 2015
- Public hearings are completed on current standards
- ASDC holds third meeting, receives public comments, directs the Subcommittees to consider the comments in their work
- Subcommittees begin technical work on Standards (work through December)

FALL 2015
- ASDC holds meeting(s) to be updated on Subcommittee work

WINTER 2015/2016
- Subcommittees complete technical work on Standards
- ASDC receives draft Standards for review, circulates for no less than 45 days
- ASDC provides Subcommittees with comments on draft Standards

SPRING 2016
- Final draft Standards are brought to ASDC for recommendation for Board approval
- Recommended Standards are presented to the State Board of Education for information, Public comment is solicited and considered for any final revisions. Pending the scope of revision needed following the public comment period, additional time may be required prior to presentation for Board adoption.

JUNE 2016
- Target date for Board adoption of Mathematics and ELA Standards
