Awareness & Readiness

District and Schools: Please use these slides and videos before jumping into PBIS to build awareness and learn what you need to do to be ready for PBIS so that it results in measurable outcomes.

Organizations: Please add these slides and video to any of your presentations related to PBIS awareness and readiness.

- **Powerpoint Awareness Slides** or **Keynote Awareness Slides** – 3-5 min. for brief awareness or 15-45 min. with activities.
- **PDF Script for Awareness Slides** - suggested script for awareness slides
- **3 min Awareness Video** - brief review of getting started.

Four districts and eight schools in Arizona were award 3 year grants from PBISaz in 2013-2014 to implement PBIS. Cartwright District, Madison District, Phoenix Elementary District and Yuma District received these grants based on completing the Readiness Agreements in the next section. We encourage all schools to complete these Readiness Agreements before beginning implementation.
