2021 Optimism and Opportunity for All!

Leading Change, Teachers' Institute, & School Counselors' Institute

Friday, June 11, 2021

Conference sessions (Keynote & Closing) will be hosted outside of the Wednesday & Thursday conference platform. A separate Zoom Link for this Keynote session on Friday, June 11th will be emailed to all registered participants on Thursday, June 10th.

8:30am–11:00am	**Welcome** **Keynote Address by John Hattie** *The Status of Visible Learning Research – Post-COVID* The session will outline the newer interpretations, of 1600+ meta-analyses, to highlight the greatest impacts on teaching and learning. Right now, given 2020, it is critical we accelerate progress to achievement, including social and emotional aspects related to learning, and specifically teach students strategies of learning – for ALL students. The underlying power of schooling is tied directly to the expertise of the educators, and never have parents put more confidence in teachers as they first-hand watched this expertise in action with their children. **Live Session**
11:00am–11:45am	**Conference Closing**
