

Farm Fresh Challenge

SUMMER 2023

Celebrate the 2023 Summer Farm Fresh Challenge Awardees!

The following entities completed all TASTE, TEACH, and CONNECT activities during a one-week timeframe in June. The Silver tier was awarded to sites that met the minimum criteria of procuring three 'easy to reach' local menu items and one 'hard to reach' menu item, hosting two educational activities, and promoted the challenge. The Gold awardees did all this, then went above and beyond and incorporated at least two hard-to-reach local food items.

Congratulations to our awardees!
