

Celebrate the Farm Fresh Challenge Awardees!

SUMMER 2025

The Arizona Department of Education Health and Nutrition Services **Summer 2025 Farm Fresh Challenge** was a fantastic way to highlight nutrition programs and cultivate excitement around fresh and locally sourced foods this summer.

The following entities completed all **TASTE**, **TEACH**, and **CONNECT** activities during the month of June and were awarded the **Gold** tier! These sites met the minimum criteria of procuring **three** local menu items, hosting **two** educational activities, promoting the challenge, and went above and beyond by incorporating at least **two** additional hard-to-reach local food items in their menus.

Congratulations to our awardees!

Gold Awardees
