

Integrity Error -40083

Error Message:

Exit code SPED09 is invalid if the student is previously reported as graduated.

Description:

SPED Exit Code SPED09 (Ends one LRE but starts another) cannot be reported if the student is reported with a permanent enrollment exit code prior to end of the LRE.

Example:

- SPED
 - LRE Exit Date
 - LRE Exit Reason
 - Enrollment
 - Enrollment Exit Date
 - Enrollment Exit Reason
- ➔
- 40083
Is the student
Enrollment reported
graduated on or
before the SPED
Exit Date?
- SPED09 (Ends one LRE but starts another) cannot be reported on the day a student has graduated. The student may not start a new SPED LRE if the student has graduated.

Troubleshooting:

- Verify the LRE Exit Reason is accurate.
- Verify if the student enrollment has been reported as graduated before SPED Exit Date.
- Once corrected, allow integrity to run overnight to see if student is passing integrity on SPED72 report.

A listing of all Integrity Rules can be found on the [AzEDS website](#).
