Arizona Special Education Advisory Panel (SEAP)
Report from the Field
March 30, 2021 Meeting

Date of Report	3/13/21
Member	Susan Voirol
Stakeholder Group(s)	Representative of a Vocational, Community, or Business Organization Concerned w **If you are filling a dual role, please indicate the additional role below:**
What is currently the stakeholder group's biggest concern?	Would like to increase rates of engagement after high school. High number of non-engaged youth. Underemployment. Reaching more undeserved/underrepresented populations.
What is working well?	Youth involvement and engagement in initiatives, training/education. Parent involvement. Individualized transition planning. Work based and other community learning experiences.
What need(s) does the stakeholder group express?	Need more meaningful transition plans and address transition areas earlier. Increase parent involvement. Increase post-secondary options for all students.
What suggestions/ideas has the stakeholder group put forward, if any?	Making certain youth opportunities are known statewide and increase meaningful youth engagement.
