

ARIZONA DEPARTMENT OF EDUCATION

CELEBRATE
THE 2024 FARM FRESH CHALLENGE
AWARDEES!

The Arizona Department of Education Health and Nutrition Services **Program Year 2024 Farm Fresh Challenge** was a fantastic way to highlight nutrition programs and cultivate excitement around fresh and locally sourced foods in October.

The following entities completed all **TASTE**, **TEACH**, and **CONNECT** activities during a one-week timeframe in October and were awarded the **Gold** tier! These sites met the minimum criteria of procuring three local menu items, hosting two educational activities, promoting the challenge, and went above and beyond by incorporating at least two additional hard-to-reach local food items in their menus.

Congratulations to our awardees!

Gold Awardees

- Balsz School District
- Concordia Charter School
- Osborn School District
