**Integrity Error -52009**

**Error Message:**

LEAID is not the reported DOR responsible for student at time of incident.

**Description:**

Incident Identifier must begin with the associated DORID of student during time of incident.

**Example:**

- Incident
    - IncidentID
    - Incident Date
- Enrollment
    - District of Residence
        - Begin Date
        - End Date

➡️

-52009
Does the IncidentID begin with the DORID of the reported District of Residence for the student on the date of incident?

***Example*** *if the DORID is 12345, the Incident ID should start with that id: 12345-#####*

**Troubleshooting:**

- Validate IncidentID and Incident Date using the DISC10 report in the AzEDS Portal.
- Validate District of Residence (DOR) ID and Dates using the STUD10 report in the AzEDS Portal.
- Ensure the IncidentID begins with the DORID.
    - Example if the DORID is 12345, the Incident ID should start with that id:
        - 12345-####
- Once corrected, allow integrity to run overnight to see if student is passing on the INTEG15 report.

A listing of all Integrity Rules can be found on the [AzEDS website](AzEDS website).
