Percent of CTE Concentrators who graduated and who were placed in postsecondary education or advanced training, military service, or employment ⁶	NA	68%	76%	77%	80%

*Arizona Career and Technical Education Performance Measures. <http://www.ade.az.gov/PerfMeasures>

1. Enrollment definition changed in 2008-09 to CTE Participant. A CTE participant is a secondary student who has earned one or more transcribed Carnegie Units/Credits in any CTE Program Area in the reporting year. The method of collecting CTE data changed to student level data for 2010-11.
2. A Concentrator is a secondary student who has transcribed two (2) or more Carnegie Units/Credits in a state-designated sequence in an approved CTE program and left school.
3. New Performance Measure for 2008-09.
5. Includes only Concentrators who left secondary education.
6. Consolidated Annual Report
