DISTRICT: SAMPLE DISTRICT

BRIEF DESCRIPTION OF STATE PRIORITY PRELIMINARY FUNDING REPORTS
FOR FY 2016 ALLOCATION

VOCI 51-1- State Priority Funding Generated by Course Enrollment- School Level

This report shows school's preliminary funding generated by 2015 course enrollment reported to CTE as of June 30, 2015.

VOCI 51-2- State Priority Funding Generated by Course Enrollment - District Level

This report shows district's preliminary funding generated by 2015 course enrollment reported to CTE as of June 30, 2015.

FY 2015 Preliminary Placement Funding Report

This report summarizes funding of the FY 2015 Placement generated by FY 2014 students who graduated and are placed in employment, continuing education or in the military that directly relates to the occupational competencies acquired in the student's high school CTE program as reported on the survey form that was received by June 30, 2015.

VOCI 62 – FY 2015 Preliminary Funding Summary Notification

This is a summation report of the district State Priority Grant enrollment funds generated by 11th and 12th grade student count for program courses taught and the placement funds as of June 30, 2015. This report is also sent to the district superintendent.

VOCI 55-1 – State Priority Funding Not Generated- School Level

This report identifies the amount of funding dollars which were not generated due to teacher certification problems and/or a program that did not submit required concentrator and/or placement reports.

VOCI 55-2 – State Priority Funding Not Generated- District Level

This report identifies the amount of funding dollars which were not generated due to teacher certification problems and/or a program that did not submit required concentrator and/or placement reports.
