Stages of Development Project

In this project, you will be researching an assigned developmental psychologist. You will prepare a powerpoint presentation that will describe the psychologist's theory on development and the studies that they performed. You should include the names of all the phases and the descriptions of the developmental stages, as described by the psychologist. Please give examples and show illustrations/ graphs, if possible.

The assignments are as follows:

Piaget : Joella, Katie, Morgan and Austin

Erikson : Amber, Missy, Tyler and Eivind

Vygotsky : Rex, Kymber, Kim and Lauren

Kohlberg : Taylor, Alexa, Janee and Karina

This project is due on Wed. Oct. 27th.
