Registration deadline:
September 11, 2013

This workshop is sponsored by Arizona Department of Education, Highly Effective Schools Division, Career and Technical Education and Arizona FBLA.

Outcomes

- Attain knowledge of the Math-in-CTE pedagogic framework known as the “seven elements” (NRCCTE).
- Leave with a completed curriculum map for your CTE program with the Arizona’s Common Core Standards in Mathematics
- Develop skills and confidence in teaching math-enhanced CTE lessons.
- Learn how to work with your school administration on how to utilize the advanced course to meet the 4th year math requirement.
- Learn how to maximize the math in your classroom instruction throughout the next school year by capitalizing on teachable moments and continuing to reinforce math concepts where they are embedded in the ARS Curriculum Framework.

Professional Development Hours/Credit

Participants will receive a certificate for 80 professional development hours upon completion of the workshops and completing four math-enhanced lesson plans. Three ADE/CTE Approved Professional Development Credits may be awarded to CTE teachers with CTE Provisional Certificates working towards CTE Standard Certificates.
