# Integration of Arizona's Common Core Standards for ELA into your Business & Marketing Programs

ACCS is achievable in the Business & Marketing Education Classroom. One of the most challenging aspects of implementing the new Arizona's Common Core Standards for ELA occurs in the planning stages, beyond the lesson plans. You will gain knowledge on effective classroom teaching materials that require students to *annotate text, cite evidence, write summaries, evaluate claims and write arguments*. These sessions will provide you with the tools and resources to successfully integrate the contextual concepts of the ACCS into your Business & Marketing Curriculum.

**Preston Webster**, Certified Arizona Common Core Trainer

### Professional Development Credit

Participants will receive a certificate for **64** hours of professional development upon completion of the workshop.
