Dear

Your son/daughter has registered to participate in the Cooperative Education Internship Program at High School. This is a structured work based learning program whereby students in the 11th and 12th grade receive school site occupational instruction and related paid work site experience for application of that instruction. Cooperative education offers students a chance to extend the classroom into a workplace setting, combining classroom activities with actual work experience. The purpose is to provide students the opportunity to connect what they learn in school with work site application to enable a smooth transition into the work force or postsecondary education upon high school graduation.

All students will interview for positions in local businesses. The final placement of students is based on the employer's decision. Students and parents will be asked to sign and abide by a contractual training agreement, which must be signed before the students begin the placement for high school credit. You are encouraged to visit the local business with your student prior to the start of the training.

Work site evaluation of the student-learner's performance will be conducted by the employer and discussed with the student by the employer and school coordinator to assess progress towards attainment of established competencies. School personnel will conduct regular on-site visits to monitor the student-learners progress.

I am looking forward to working with you and your son/daughter during this school year. If you have any questions, please feel free to contact me at school (phone #) or at home (phone #).

Sincerely,
