

WBL TRANSPORTATION AGREEMENT

Parent/Guardian Permission Authorizing Student Transportation by Privately Owned Vehicles

_____ Public Schools requests and expects that students who participate in work based learning (WBL) programs be transported to their work site by use of a commercial common carrier (i.e. public transportations by bus) when feasible. However, because of the general unavailability and inconvenience of such transportation, it is sometimes necessary for students and/or parents/guardians to provide other transportation.

If a student wishes to drive or ride in a privately owned vehicle, and if the conditions listed in this form are met and approved by the parent or guardian, then this instrument will serve to let the students, the participating school, and the school district know that the parent/guardian desires to have the student drive or ride in a privately owned vehicle. Parents/guardians who wish to permit their son/daughter or ward to drive or ride in a privately owned vehicle will explain or advise their child or ward that full responsibility for all passengers lies with the driver and/or the driver's parents or guardians.

Permission is granted for the student to drive or ride to or from the work site in a privately owned vehicle only if all of the following conditions are met:

- The student driver provides verification that he/she possesses a current driver's license and proper insurance coverage.
- Transportation is limited to the student driver and a maximum of one passenger and preferably no passengers.
- The sole purpose of the transportation is getting to and from the work site.
- The parent/guardian, student, and WBL coordinator sign this transportation agreement.

1. I, the Parent/Guardian of the below-signed student, hereby authorize my son or daughter to drive or ride in a privately owned vehicle to and from a work site. I am aware of the risks and circumstances of transportation by privately owned vehicle instead of by commercial common carrier. I have considered these risks and have decided that my child or ward may use transportation by private vehicle instead of by commercial common carrier (i.e., city bus). My signature on this form indicates that I authorize permission for private transportation. I also agree to hold _____ Public Schools harmless in the events of injury to the student including any property damages while student is driving to and from work by transportation other than that provided by _____ Public Schools.

In consideration of the student being permitted to participate in the WBL program of _____ Public Schools, (hereinafter "School District"), each of the undersigned, for himself or herself, personal representatives, heirs, assigns and next of kin, agrees and does hereby release the School District, all current, former, and future employees, and members of the School Board of the School District, and their heirs, executors, administrators, successors and assigns from any and all liability, claims, demands, costs, charges and expenses incident to any property damage and personal injuries sustained by the student while driving to and from the work site.

The undersigned has read and voluntarily signs this permission and the release and waiver of liability. The undersigned agrees that no oral representations, statements, or inducements apart from the foregoing written agreement have been made.
