# Professional Development Website

The professional development website provides information on professional development opportunities, including calendar of events by program area, standards and practices, and resources available for CTE Directors and Instructors that will enhance their professional learning. Professional Development content is guided by a set of standards that describe the characteristics of professional learning that lead to effective teaching and leadership practices and improved student results.

## Launching the Arizona Career Ready Black Board Modules 1 - 4

Sunday, July 17 at  
at Loews

## Arizona Career Ready

Arizona Department of Education

### Arizona Career Ready

We must prepare all students to become career and college ready, but sometimes we lack necessary skills, current information, and the resources to do an exemplary job. To prepare Arizona students to leave high school career ready will require educators to expand their knowledge. To help with Career Literacy Arizona Department of Education will be launching a new professional development opportunity.

- **Target Audience:** school counselors, CTE educators, teachers, administrators
- Each module will be about four weeks long, with 4-6 hours of work per week.
- Modules include readings, discussion and development of an action plan. Educators can earn 20 CEU's for a "pass" score in each module.
- Modules will be offered throughout the year in consecutive order. Modules will be online, hybrid, or customize "in-person" to meet your particular site's needs.
- The Career Ready Program will be offered in Fall of 2016, and will be FREE for the initial "pilot" year.
- For information, contact Kay Schreiber at [kay.schreiber@azed.gov](mailto:kay.schreiber@azed.gov) or Meg Hughart at [meghughart@gmail.com](mailto:meghughart@gmail.com)

**Module One:** *Understanding the National Workforce Landscape and 21st Century Careers*

**Module Two:** *Career and Technical Education for Career Readiness*

**Module Three:** *Engaging the Student in Post-Secondary Planning through Effective ECAP Implementation*

**Module Four:** *Collaborating with Local Businesses and Employers*

#### President's Letter

More Information

From the Desk of Lisa Dill

Happy Spring,  
It is hard to believe that we are on the downhill side for the school year. We hope your last few weeks of the school year are rewarding and exciting. Good luck to all of the teachers and their students who are participating in CTSO competitions and we wish you much success.

#### Executive Director's Letter

More Information

From the ACTE AZ Executive Director

Dear ACTE AZ Members,  
This year it was all about CTE! From every part of our state Career Technical Education was the passionate conversation of the year regarding the profound outcomes that CTE Programs have on graduation, workforce development and life skills training so that students always have a lifetime of prosperity! Industry was adamant that these programs continue to provide the trained workers for the Arizona economy.

## Statewide CTE Accomplishments

- Premier Series Program
- Advocacy for JTED Funds Restoration Team
- Tina Norton also served as our ACTEAZ Lobbyist
- Working with the Mandates from the SB 1525
- ACTEAZ Circle of Distinction Members
- Continue working with the "I AM CTE" Movement
- T-Shirts in Additional Colors for Sale
- Advocacy Efforts and Materials
- ACTEAZ Fellows Program
