

FAR: Consortium/Consortium III Program Narrative Questions FY 17

Based on the outcomes of the Programs of Study Self Evaluation Tool FY 17, consortium members should agree to 1-3 areas of focus to guide the work for the project year. For each area of focus, indicate the long-term post-secondary placement goals supported, design 1-3 SMART objectives to shape and evaluate the work of the consortium this project year, indicate what programs/districts will directly work in support of the objective as well as the elements of the POS design framework addressed, and list itemized coded expenditures planned in support of the objective.

Area of Focus A (describe the prioritized area of focus, including specific details) *1-2 paragraphs, up to 3000 characters:*

Post-Secondary Placement Goals (Provide a 1-2 sentence description of the long-term post-secondary placement goal this area of focus is designed to support):

Consortium-wide SMART Objective A- 1 (State the Measureable Objective the consortium will use to guide and evaluate progress towards the Area of Focus/Post-Secondary Placement Goals. Objectives must be SMART and attainable within the consortium during the project year.)

Specific POS & District Alignment (list the specific programs/districts that will be directly involved in the work of this objective. All districts within the consortium must directly participate in at least one objective, although not all programs need be directly involved.):

Elements of Design Framework Addressed (check off up to four components from the self-evaluation that will form the core of the work towards this objective):

- Policies and Procedures
- Professional Development
- Partnerships
- Counseling and Career Development
- Teaching and Learning Strategies
- Course Sequence
- Skill Attainment
- College and Career Readiness
- Articulation Agreements
- Accountability and Evaluation Systems

Itemized Related Expenditures (Provide an estimated dollar amount, appropriate object code, and brief, specific description of each expenditure planned in support of this objective. For supplies and instructional materials, complete a supplies worksheet and upload to related documents. Job descriptions should be provided for any positions funded through this grant.)

Midyear Narrative Report. Due March 15, 2017 (Provide a brief, specific overview of current progress towards this objective, including any requested adjustments):

Final Narrative Report. Due September 15, 2017 (Provide a brief, specific summary of final status of progress toward this objective, including quantitative and qualitative evidence of progress/achievement.)
