Re: Vacant Buildings Suitable for Use as Charter Schools

Dear Superintendent Huppenthal:

Pursuant to A.R.S. § 15-189, the Arizona Department of Education (ADE), in conjunction with the Department of Administration (ADOA), shall annually publish a list of vacant and unused State-owned buildings and portions of buildings that may be suitable for the operation of a charter school.

ADOA surveyed the ADOA, Arizona Department of Transportation (ADOT), and Arizona Board of Regents (Regents) Building Systems and concluded the following buildings may be suitable for the operation of a charter school.

Owner	Address	City/Town	Zip	Available Square Feet
ADOA	1937 West Jefferson	Phoenix	85007	8,670

The owner of a building identified herein is not required to sell or lease the building or a portion of the building to a charter school or to any other school or to any other prospective buyer or tenant. ADOA's analysis is relevant to availability only. ADOA makes no warranties regarding the genuine suitability of a listed building for the purposes of operating a charter school.

If you need further assistance regarding ADOA's list of vacant and unused buildings, please contact Nola Barnes, General Manager, ADOA General Services Division (GSD), Building and Planning Services (BPS) by phone at (602) 542-1954 or by email at nola.barnes@azdoa.gov.

The Honorable John Huppenthal
