2015 Infant Toddler Summit

In August 2013, ADE and its collaborating partners sponsored a one-day Infant Toddler Summit to officially release the *Arizona Infant Toddler Developmental Guidelines (ITDG)*.

In February 2015, we will host a two-day summit that will focus on in-depth modules of the ITDG, effective instructional strategies for working with infants & toddlers, including those with special needs, and the importance of building strong foundations that lead to school-readiness.
