### Benefits of a Read Aloud

✧ We read aloud to children for the same reason we speak to children;

To reassure,  
to entertain,  
to bond,  
to inform or explain,  
to arouse curiosity, &  
to inspire....

---

---

---

---

---

---

---

---

### Benefits of a Read Aloud

- Condition the Child's Brain to associate reading with pleasure
- Create background knowledge
- Build Vocabulary
- Provide a reading role model

Health, Nutrition and Gardening

Hope Wilson-FCHS Agent Yavapai/Gila Counties

Learn about health and nutrition in early childhood helps to create positive habits that will last a lifetime.
