

Foreign Credential Evaluation Agencies

The Arizona Department of Education, Certification Unit does not evaluate foreign transcripts. Applicants who completed degrees or coursework at a foreign institute of higher education must submit a foreign equivalency evaluation in lieu of their foreign transcript. The listing below reflects foreign credentialing evaluation agencies that are currently accepted by the Certification Unit; however, the Certification Unit does not endorse or recommend any of these agencies. The Certification Unit reserves the right to remove a foreign credential evaluation agency from this list and/or to reject a foreign equivalency evaluation if it is determined the credentialing agency does not have sufficient qualifications to evaluate foreign transcripts for certification purposes. If you own a Foreign Credentialing Agency and would like to be added to this list, please email Certification@azed.gov. Please include information on your agency's memberships in professional associations of foreign credentialing services, the qualifications of your staff, and licensure agencies and/or institutes of higher education that currently accept your evaluations.
