3. Demonstrate the integration of ELL Proficiency Standards in all content areas. <i>(1 hour of contact time)</i>	3. Identify and use alternative methods of assessment. <i>(1 hour of contact time)</i>	3. List language acquisition theoretical principles. <i>(.5 hour of contact time)</i> 4. Define the role of culture in learning. <i>(.5 hour of contact time)</i>	

***Training time must total 45 clock hours, which includes twelve (12) flex clock hours to be used at the instructor's discretion to augment any combination of the four areas.**

Given the additional hours provided in this framework, professionals will be expected to be engaged, in depth, in each one of the four areas required in the training sessions. The minimum number of contact hours in each section of the curricular framework is recommended above. Additionally in the last frame, recommendations are given for implementation of objectives. Finally, this framework allows for (12) flex hours to be used at the instructor's discretion to augment any combination of the four areas.
