1. What you probably call every person watching a football game?
2. Which would you probably do if you wanted to concentrate very hard on understanding something?
3. Which would you probably do if some dust blew in your eyes?
4. Who would probably be careful checking things to make sure they were done right?
5. Which would you use to help you see where a baseball landed after a homerun was hit?
6. Which would you do if you couldn't see clearly out of your binoculars?
