Dear Private School Administrator:

The Arizona Department of Education, Office of English Language Acquisition Services (OELAS) is conducting a "Title III LEA Accountability Survey Regarding Private School Services for School Year 2015-2016" in order to confirm the number of limited English proficient (LEP) students who received services at your private school.

Under the authority of the No Child Left Behind Act of 2001, Title IX, Part E, Secs. 9501-9506 Education Department General Administrative Regulations (EDGAR), Part 76, Secs. 76.650-76.662, the statutory and regulatory requirements state:

"After timely and meaningful consultation with appropriate private school officials, local education agencies (LEAs) receiving Title III funds must provide educational services to limited English proficient (LEP) children and educational personnel in private schools that are located in the geographic area served by the LEA."

Consequently, an LEA has indicated that they have provided services to LEP students at your private school. Below, please list the name of the district that currently serves your private school as well as the number of LEP students that the district served during the 2015-2016 school year.
