

\$2500 Breakfast Equipment Grants

Food Family Farming Foundation has extended the application period for the Healthy Breakfast for Kids Grant opportunity. Please see updated guidelines and link to apply below.

The Healthy Breakfast for Kids Grant provides equipment to help schools implement or improve universal breakfast programs. School breakfast allows students to concentrate better, work harder, and start off their day nourished. 117 grants will be given out in total to schools across the country.

Qualifications

- Schools must be 40% or higher free/reduced
- The Food Service Director for the district the school resides in will lead program implementation
- The principal and school community support offering universal breakfast in the classroom
- Program must be implemented by January 2013
