RE: SFSP Program Year 2012 Application and Program Announcement

Original Signed

The purpose of this memo is to provide all current and potential Summer Food Service Program (SFSP) sponsors with vital information to meet application and training requirements for the new program year. The following topics are discussed in this memo:

- Mandatory Training Requirements
- Annual Application Deadlines, Process, and Requirements
- Food Distribution Program
- E-Memorandum
- Important Program Reminders and Updates

Mandatory Training Requirements

Now! **New Seamless and ALL Simplified sponsors** are required to attend program training. These sponsors will not be approved to operate the program unless they have attended a program training workshop in the current year. This now includes:

- New Seamless
- New Simplified
- Sponsors changing from Seamless to Simplified
- Now!** • Returning Simplified Sponsors

SFSP training is not mandatory for returning Seamless sponsors; however, it is highly recommended. New staff members are encouraged to attend as well.

There are two different types of training:

- **Summer Food Service Program Training:** Learn the Seamless and Simplified program regulations and other requirements. Open to all sponsor types.
- **Summer Food USDA Foods Ordering Web-Based Training:** Gain access to CNP2000 to order USDA Foods. Open to sponsors who are participating in Food Distribution USDA Foods Program for the first time.

Please register for all trainings and workshops online at www.ade.az.gov/onlineregistration. Sign up early as trainings and workshops fill up quickly.

Annual Application Deadline, Process, and Requirements

Now! Application Deadline

- **April 13, 2012: Application deadline for sponsors who intend to participate in Food Distribution.**
- **April 27, 2012: Application deadline for sponsors who do not intend to participate in Food Distribution.**

In order for the Arizona Department of Education (ADE) to best promote your program through statewide outreach, please submit complete applications as early as possible. ADE advertises the availability of open sites through public service announcements, website postings, and other media outlets.

Local Educational Agencies (LEAs) who operate the National School Lunch Program (NSLP) have the option of administering the Simplified SFSP or the Seamless SFSP. All other organizations, i.e. private non-profits and government entities or schools who do not operate the NSLP, must administer the Simplified SFSP.

SFSP sponsors are required to submit **both** paper-based documents and the site and sponsor online applications each program year. The SFSP online applications are currently available for submission through the CNP Web system, located at: www.ade.az.gov/CommonLogon/logon.aspx. A username and password is required to enter the CNP Web system in order to access and submit your online site and sponsor applications for the 2012 program year. Other required documentation pertaining to the SFSP can be found at: www.azsummerfood.gov/sponsors.

****Any employees needing access to common logon must review the training manual and submit a request using the Common Logon Security Agreement.***

**** Individuals are responsible for keeping individual Common Logon accounts confidential, accurate and up-to-date. The username and password is an electronic signature and must not be shared. Consulting firms contracting with an LEA, including Food Service Management Company employees, are not authorized to complete the SFSP online applications or claiming process, and will not be provided with Common Logon rights to enter such data. Also, please notify the ADE School Nutrition Programs if an individual with a Common Logon username and password leaves your organization as the account must be immediately disabled.***

All required documents not submitted through the CNP Web system **must be submitted to:**
SFSP Program Project Specialist
Arizona Department of Education
1535 W. Jefferson St, BIN 7
Phoenix, AZ 85007

The sponsor's participation in the SFSP begins when all required documentation is received and the online site and sponsor applications for the 2012 program year are approved. ADE will notify sponsors by email once the site and sponsor applications have been approved online. **Meals served prior to the application approval are the responsibility of the sponsor and reimbursement for these meals is not guaranteed.**

Carefully read the application instructions in the SFSP Web User Guide and view the "How To Apply" tutorial; both are located at: www.azsummerfood.gov/sponsors.

Food Distribution USDA Foods Program

All SFSP Sponsors may participate in the Food Distribution USDA Foods Program. Sponsors are required to pay a delivery fee for any cases of USDA Foods received, so please keep this in mind when considering participation in the program. These fees will be paid out of the sponsors existing food service budget. For more information, contact a member of the Food Distribution team at FDP@azed.gov.

Food Distribution USDA Foods Program participation requirements:

- Select "yes" from the drop down box in the *General Information* section of the Sponsor Application on CNP Web.
- Log in to CNP2000 (the USDA Foods ordering website) and update the sponsor delivery locations and contact information.
- Submit online applications on or before April 13, 2012.

Sponsors who are **new to the Food Distribution USDA Foods Program must also:**

- To gain access to CNP2000 and an overview of the program, please register for a USDA Foods Ordering Web-based training by visiting www.ade.az.gov/onlineregistration. Click on "Health & Nutrition Services: Food Distribution" to find the next available class in your area and register.
