Dear Ms. Johnson,

Congratulations! We are pleased to announce that the Dairy Council of Arizona is a recipient of the **2015 Western Region Summer Sunshine Award** for *Outstanding Partners*. The award recognizes the Dairy Council of Arizona for collaborating with local school districts to provide learning opportunities and engaging activities during summer meal service.

We also commend the Dairy Council of Arizona for providing funding to 16 sites for program promotion. By enabling summer meal service sites to engage children in healthy eating habits as well as summer learning activities, the Dairy Council of Arizona has removed barriers to summer meal participation and served as a national example in combating childhood hunger. Thank you for your dedication and for serving your community.

The enclosed award certificate is in recognition of your hard work. We wish you continued success with your program!

Sincerely,
