- Combined payments are based on: Operating Reimbursement plus Administrative Reimbursements (rural/self-prep OR urban/catered), multiplied by the number of meals served to children. For ease, the table posts the combined reimbursement rate of operating + administrative.

$$\left(\begin{array}{c} \text{Operating} \\ + \\ \text{Administrative} \end{array} \right) \times \begin{array}{c} \text{Number of} \\ \text{Meals Served} \\ \text{to Children} \end{array}$$

- The catered rates apply to all sponsors using the services of a food service management company, unless the sites being served are located in rural areas as determined by the state.
