# Supplanting Funds

## The First Test of Supplanting:

Supplanting exists if an LEA uses SEI Budget funds to provide services to ELL students that the LEA makes available to all students through other means.

## The Second Test of Supplanting:

Supplanting exists if an LEA uses SEI Budget funds to provide services that the LEA provided in the prior year with State, local, or other Federal funds.

# Funding Sources

**Title III:** Designed for supplemental expenses. All Title III expenses should be above and beyond required expenses.

**SEI Budget:** Designed for incremental costs. Should be used for items that are both (1) beyond what is provided in mainstream classrooms or to mainstream teachers and (2) a necessity for implementing the SEI Models.

**M&O:** Anything provided to mainstream classrooms or teachers should also be provided to SEI/ILLP classrooms or teachers.

# Program Requirements/ M & O Funds

- Reading, Writing, Listening and Speaking curriculum materials which all students receive should be purchased using M&O.

# *Program Enhancements/Title III*
