

Jan 16, 2012

Dear Parent:

The Arizona Department of Education is inviting you to fill out a parent survey that is anonymous and should take approximately **5 minutes to complete**. The survey measures how satisfied you are with your child's school, teachers, and school's administrative staff.

Your participation is much appreciated and needed for us to explore the relationship between your perceptions and your [school district's/charter school's] academic success. The results of this survey, without identifying who you are, will be attributed to our [district/charter holder]. **Please complete the survey no later than March 3, 2013.** Click here to take the parent survey: https://www.surveymonkey.com/s/lsp_adeparentsurvey

If you have any questions, please contact [LEA contact] with [School name] at [LEA email/or LEA phone]. Thank you for sharing your opinions and assisting us with this important survey project.

Best Regards,

LEA Superintendent
