WHO WE ARE

The **mission** of the ADE ELA Team is to educate, empower, and elevate the expertise of educators and leaders in evidence-based literacy pedagogy and practices so all students in Arizona can learn to read and write proficiently.

The ADE ELA Team **envisions** every student has access to knowledgeable educators and leaders trained and confident in the best practices in literacy with a focus on the science of reading.

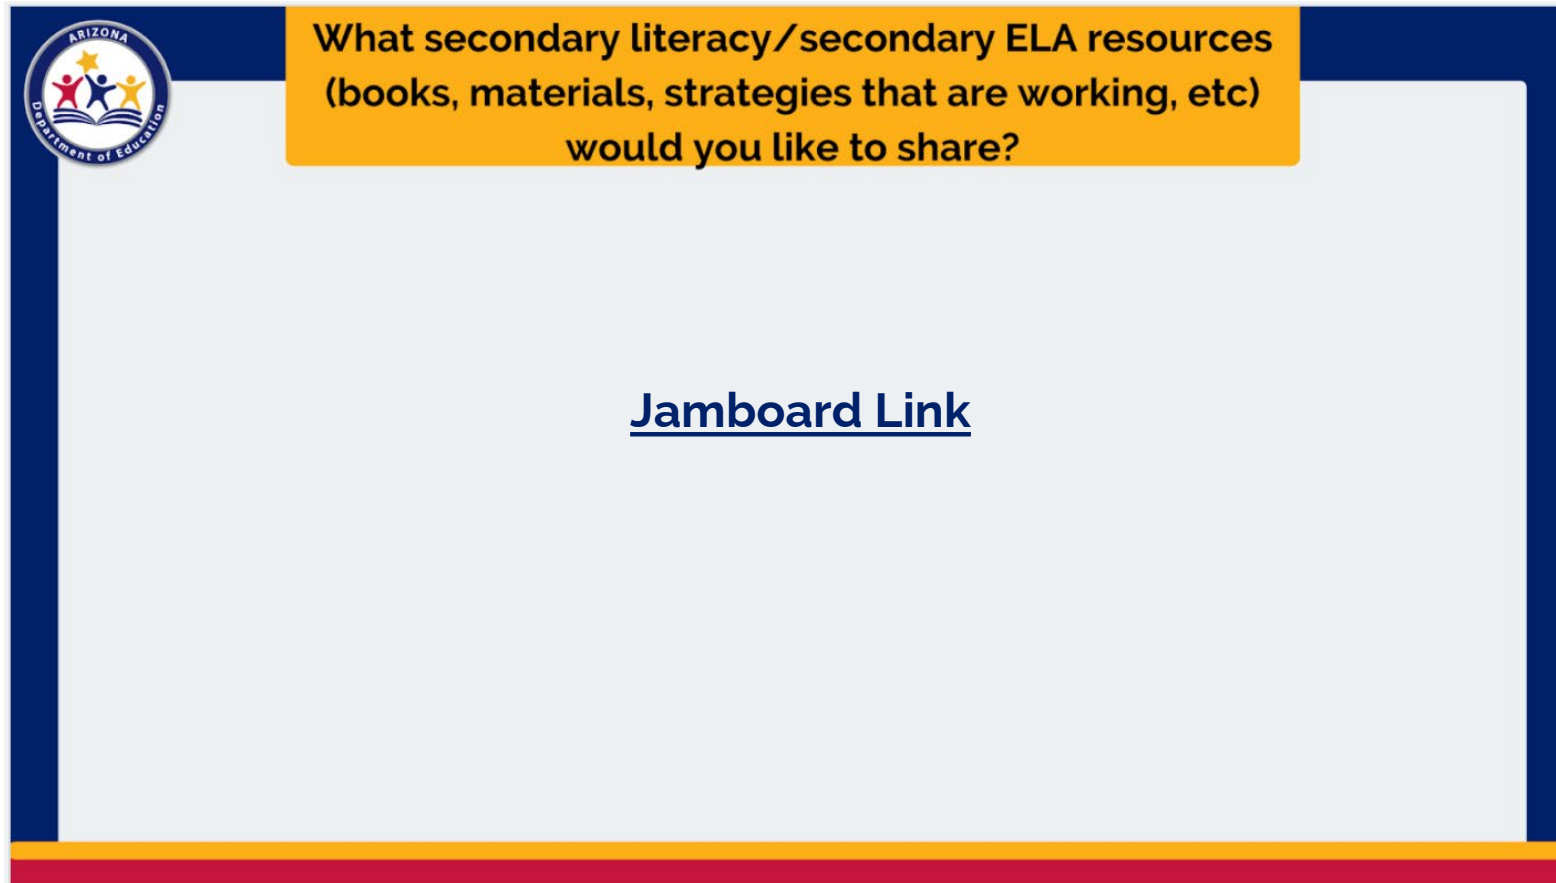

Whooooo's Here?

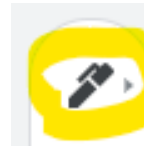

- **Unmute and share:**
 - Name and title
 - Organization and city
 - Grade levels you teach/work with
 - **Question** – Why are you here with us today?

Brainstorming

Breakout rooms – Discuss the three questions and share ideas using the sticky notes. I will send you reminders to switch questions.

The image shows a Jamboard interface with a blue border and a yellow top bar. In the top left corner is the Arizona Department of Education logo. The top bar contains the text: "What secondary literacy/secondary ELA resources (books, materials, strategies that are working, etc) would you like to share?". In the center of the board is the text: "[Jamboard Link](#)".

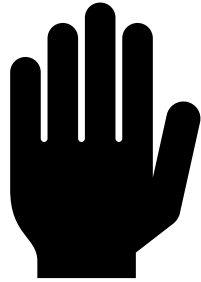

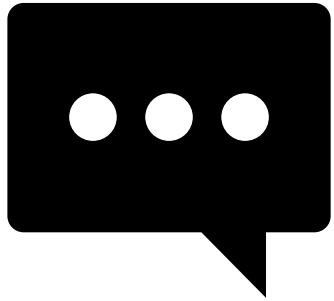

Use pen to make a checkmark next to ideas you agree with

Use sticky notes to share your responses.

Whole Group Share Out

Look over the Jamboards slides/think about the conversations you had.

What major trends/topics do you see for secondary ELA?
