

# Intent to Apply for Institutional Readiness Review for Educator Preparation Program Approval in Arizona

According to ARTICLE R7-2-604: “Professional preparation institutions with **no** Board approved educator preparation programs, seeking **initial** approval for an educator preparation program shall submit to the department the information necessary to conduct a readiness review of the professional preparation institution. The Department shall prescribe forms to assist professional preparation institutions with providing all information required as part of the readiness review process. **All readiness review documents must be submitted at least 90 days prior to the program submission date.** See program submission timeline for submission dates.”

*This form merely indicates the inquiry request for the Arizona Department of Education to conduct the Readiness Review Process.*
