

FFY 2011 Public Education Agency (PEA) Determination Appeal Form

Under section 616 of The Individuals with Disabilities Education Act 2004 (IDEA 2004), States are required to make a determination for all public education agencies (PEAs) of their performance on identified special education criteria. The FFY 2011 determination was sent electronically to your agency in May 2013. **The determination is final unless your agency appeals by July 1, 2013.**

A written appeal may be filed if the PEA has documentation that shows the data used to issue the Determination is inaccurate. If the PEA submitted inaccurate data and did not correct the data when given the opportunity by the Arizona Department of Education (ADE), then the Determination level will not be changed regardless of the appeal.

Use this PEA Determination Appeal Form to submit within the given timeline. Upon receipt of the appeal, the Arizona Department of Education/Exceptional Student Services (ADE/ESS) will review and give a written response within 30 days. If the appeal is granted, then the ADE/ESS will issue a final determination within 30 days of the appeal.
