

Chapter 4 How Do I Keep It All Together?

Lesson	Objective(s)	Activities	Additional Products
1. Finding a Place to Live	Students will complete a Personal Data Sheet (PDS). Students will identify immediate transitional housing needs and examine options available.	<i>How To Complete Your Personal Data Sheet S1</i> <i>PDS S2</i> <i>Should I Live On My Own? S3</i> <i>Where Do I Go From Here? S4</i>	<i>I'll Be Different EN1</i>
10. Support – Stay the Course	Students will produce a plan to start immediately and one to start when released. Students will predict risky situations that could interfere with the plans' goals (get out, stay out). Students will devise "risk management" plan including the use of MRG and contingency "Emergency MRG" actions.
