

**Sample Assistive Technology Devices
8/2016**

Augmentative and Alternative Communication (AT-Speech/AAC)

Voice Amplification: ChatterVox; SoniVox; ADDvox7; _____

Fluency: SpeechEasy; Speech Monitor; Fluency Coach; Speech Gym; Artefact Soft; Fluency SIS; DAF; Easy AAF; Smarty Ears; MPI Stutter; Speech4Good; Stammari; _____

AAC:

Digitized AAC Devices: Accent series; WFL- Nova Edition; T-Series; M-Series; QuickTalker Freestyle; _____

Synthesized AAC Devices: Accent; Echo; Connect for Speech; Talara 32; Allora 2; NOVA chat Series; Grid Pad Series; _____

AAC Software and Apps: Proloquo to Go; Talk Tablet; EZ Speech; ProxTalker; Grid Player; ClaroCom; iVocalize; SymbolMate; BoardMaker; _____

Language/Symbol systems: Unity; Words for Life; LAMP; PCS; Grid 2; PECS; Compass 2; SymbolStix; _____

Adaptive Input Technologies:

Manual direct selection supports: describe: _____

Adaptive technologies for indirect selection: describe: _____

Adaptive switch technologies: describe: _____

Scan array options: describe: _____

Mounting systems: Daessy; Mount N'Mover; iDevice Mounting Cradles; FRS 3-D systems; Other: _____

AAC Computer Access: Switch Interface Box; ZyBox Series; Optimax Joystick; wheelchair joystick Environmental Control Unit; _____

Rate enhancement Software and Apps: WordQ + SpeakQ; _____

Word processing and productivity supports using AAC:

Products/Describe: _____

Adaptive telephone access: Bluetooth to cellphone; tone generation; _____

Device Integrated ECU/EADL: Bluetooth; X-10; Z-wave; Insteon; _____

Non-Electronic supports: paper based AAC board; communication book; keychain; _____

Blindness/Visual Impairment (AT-BVI)

Specialty Lighting: Ott; Big Eye; Verilux; _____

Optical Magnifiers: Eschenbach;

Handheld Video Magnifiers: Ruby; Eye C; Amigo; Candy; Versa; _____

Portable Video Magnifiers: E-Bot Pro, Pearl; ZoomTwix; _____

Desktop Video Magnifiers: Merlin; SmartView; Acrobat; Explorer _____

Alternative Format Players: Victor Reader; Plectalk; _____

BVI Mobile Devices and Electronic Notetakers: VoiceOver; TalkBack; Apple Zoom; Android Magnification; _____

Screen Magnification Software: Magic; ZoomText; Lunar; _____

Screenreading Software: JAWS; WindowEyes; Voice Over; Hal; _____

OCR Technologies BVI: Open Book; Kurzweil 1000; _____

Refreshable Braille Technologies: PowerBraille; Alva; Brailiant; Focus Blue; Perkins Braille; Braille Edge; _____

Braille Translation: Duxbury; MegaDots; Braille 2000; Firebird; _____

Braille Embossing: Romeo; Juliet; EmBraille; Phoenix; _____

Daily Living Aids: Braille watch; talking watch; audible caller ID; electronic color or light identifiers (i.e. Colorino); _____

AT-BVI Non-Electronic supports: slate and sylvus; big line paper; tactile paper; Perkins Brailer; _____

Cognition, Learning Disabilities, and Traumatic Brain Injury (AT-C)

Executive Function:

Products for Time Management: _____

Products for Memory Support: _____

Products for Task Management: _____

Products for Other Executive Function: _____

Products for Personal Finance: _____

Telephone: _____

Literacy and Academic Supports:

Reading: _____

Writing: _____

Math: _____

AT-C Alternative Keyboards and Layouts: Intellikeys with ABC layout; Big Keys; _____

Text Reading Software: WYNN; Kurzweil 3000; TextHelp Read and Write Gold ; _____

AT-C OCR Technologies: WYNN Wizard; Kurzweil 3000; TextHelp Read and Write Gold; Apps such as: Cognitive-Open OCR; Softonics; _____

Non-Electronic Supports: color coded filing and calendaring; _____

Deaf, Hard of Hearing, Late Deafened (AT-DHH)

DHH Communication Devices: Interprettype; Ubi Duo 2; UNI; _____

Daily Living Aids: i.e. alarm clocks: Sonic Alert; ClearSounds; Amplicom; Clarity; Bellman & Symphon; iLuv; Clarity; Bellman & Symphon; _____

DHH Mobile Devices and Apps: Apple OS Android OS Microsoft OS describe: _____

Personal Listening Devices and Sound Amplifiers: Pocketalker; Mino Personal Amplifier; Maxi Personal Amplifier and/or Separate Transmitter/Receiver: Comtek AT-216; Mino Personal Amplifier; _____

Deaf Alert Systems: Silent Call Systems; Alert Master Systems; Signature Series Sidekick II; Bellman & Symphon; _____

Amplified Phones and Accessories: Clarity; Geemarc; Amplicom; Serene Innovations; Ultratec; _____

Captioned Text Telephones and Services: CaptionCall; Cap Tel; Clarity; _____
TTY and Text Telephones: Ultratec; Ameriphone; _____
Video Phone Technologies: Sorenson; Purple; ZVRS; _____
Induction Loop Systems: (Portable): Oval Window; Geemarc; Williams Sound _____
(Large Area): Oval Window Satellite III; Williams Sound Digi-Loop; _____
Voicemail Transcription Services: eVoice; PhoneTag; Voicecloud; NexiWave; _____
DHH Bluetooth Technologies/Streamers: ClearSounds Quattro Pro; Phonak ComPilot; _____

Deaf-Blind/Combined Vision and Hearing Loss (AT-DB/CHVL)

Communication Devices:

DB Devices: DeafBlind Communicator; Interprettype DBCS; _____

DB Apps: HIMS Deaf-Blind Communicator App; Humanware Communicator App; _____

Daily Living Aids including visual, auditory and/or tactile - describe: _____

Mobile Devices and Apps describe: _____

Braille Technologies: describe: _____

Ergonomic/Physical Access (AT-Ergo/PH)

Daily Living Aids: pen/pencils; utensils; reacher/grabbers; buttoners;

Alternative Keyboards:

Wave Style Ergonomic: Microsoft Natural; Tru-Form Keyboard; _____

Pan Style Ergonomic: Maltron Dual-Handed; Contoured Advantage; _____

Split Keyboards: Maxim; Goldtouch; Freestyle; _____

One-Hand: Maltron; DVORAK; BAT; Half QWERTY; _____

Big: Big Keys; BigBlu; KinderBoard; _____

Small: Mini Keyboard; BigBlu; KinderBoard; _____

Virtual: Apple or Microsoft OS; WiViK; KinderBoard; _____

Other (list or describe): _____

Speech Recognition Software: Dragon Naturally Speaking; Windows OS; Apple OS; _____

Word Prediction Software: WiViK; Co:Writer; WordQ; ClaroRead; Accukeys; KeyStrokes for Mac; _____

Alternative Pointing Devices: trackballs; touchpad; head pointing; eye-gaze; R-Net Bluetooth mouse; Jouse; Permobil w/c ECU mouse; Invacare w/c mouse; ACS w/c mouse; _____

Adaptive Switch Technologies: list type of switch, type of scan array, hardware interface and adaptive software _____

Mounting Systems: Daessy; Mount N'Mover; iDevice Mounting Cradles; FRS 3-D systems; Other: _____

Adaptive Telephones: switch activated; large button; _____

Mobile Devices Ergo/PH apps and accessories: phone apps and carrying cases; _____

Simple Environmental Control/Electronic Aids to Daily Living (ECU/EADL) devices:

Powerlink; Sicare; Pilot;

Complex Environmental Control/Electronic Aids to Daily Living (ECU/EADL) devices:

Pilot Pro; Angel FX; HomeSeer; _____

Adjustable desk: Workrite; Mayline; Evo desk; Human Solution; _____

Ergonomic office chair: Herman Miller; Steelcase; Grahl; _____

Self-Care: grab bars; toilet supports; roll under sink; _____

Workstation: keyboard height: _____ monitor height: _____

Ergonomic Seating Supports: seat height: _____ armrest height: _____ backrest height: _____

seat width: _____ armrest width: _____ adjustability requirements: _____

DME: List/Describe seating, positioning, transfer and mobility aids: _____

AT/IT: Hardware and Application Software

Knowledge/Awareness of:

Computer type and Operating System (OS): Windows/version; Mac/version; _____

Application Software:

Word Processing: Word/version; Pages/version; _____

Spreadsheet: Excel/version; Numbers/version; _____

Presentation Software: Powerpoint/version; _____

Database: Access/version; FileMaker Pro/version; _____

Email: Outlook; webmail; other; _____

Browser: Safari/version; Internet Explorer/version; Edge; _____
