- 2015: Seniors must pass AIMS to graduate (retakes given as necessary). PARCC results will be unavailable to incorporate in course grades for seniors since those courses were likely taken in 2014 and the standards setting process will delay the return of test results.
- 2016: Seniors must pass AIMS to graduate (retakes given as necessary). PARCC results for seniors will likely **not** be available in time to incorporate into student grades due to standards setting (2015). If PARCC results are available they shall be incorporated into student grades for all courses where the assessments are administered (percentage TBD).
- 2017: PARCC results shall be incorporated into student grades for all courses where the assessments are administered (percentage TBD). AIMS is retired except for those seniors where retakes are still applicable.
- 2018: PARCC results shall be incorporated into student grades for all courses where the assessments are administered (percentage TBD).
- 2019: PARCC results shall be incorporated into student grades for all courses where the assessments are administered (percentage TBD).
