Increasing funding to the LEA to provide preschool services to migrant students

**Method of Determining Contract Amount(s)**

The method in determining funds is based on the need from the LEA. The LEA applies for a Mini-Grant, which provides a detailed description on how they will use their funds, how it supports the LEAs Service Delivery Plan, and how the program will be measured and evaluated. ADE evaluates the application on a needs basis. Funds provided will allow Liberty Elementary School District to service their preschool Migrant students.

**Evaluation Plan**

Liberty Elementary School District will be monitored twice during the 2012-2013 school year to insure that the LEA is meeting the requirements set forth in their preschool plan. In addition, an assessment of the LEA will be conducted during Cycle monitoring by department MEP staff.
