SUBJECT: 2013 Migrant Education Program- Summer School Program Allocations
(Annually Reoccurring)

SUBMITTED BY: Ralph Romero

MANAGEMENT TEAM REVIEW:

BACKGROUND INFORMATION:

The Migrant Education Program (MEP) is a federally funded, state-operated program under the No Child Left Behind Act (NCLB) that provides supplemental program services to the children, ages 3 through 21, of seasonal or temporary agricultural workers. In Arizona, the program delivers services primarily through local educational agencies (LEAs) that design programs to meet the unserved needs of children residing in their area. Summer school programs are an important supplemental education component that assists migrant students in closing their educational gaps that are a result of their migrant way of life. Supplemental Migrant Program allocations to Local Education Agencies are for summer school programs, which are provided on an annual basis.
