STATE BOARD MEETING DATE April 22, 2013

SUBJECT: A-F Letter Grade Accountability System

SUBMITTED BY: Dr. Carrie L. Giovannone

MANAGEMENT TEAM REVIEW:

BACKGROUND INFORMATION:

This presentation is to propose the following recommendations to the State Board of Education:

2013 A-F Letter Grade Accountability System

- Recommendation that schools included in the Small Schools A-F Letter Grade Model be determined by the number of test records; thereby reducing the number of schools that use pooled data for accountability.

2014 A-F Letter Grade Accountability System

- Integration of the College and Career Ready Index – This is a recommendation on integrating a framework for evaluating graduation rate as well as college and career readiness indicators in the 2014 A-F Letter Grade calculations for high schools.
 - Recommendation on operationalizing the CCRI for high schools in the Traditional Schools Model beginning in 2014.
 - Recommendation of including 4-, 5-, 6-, and 7-year graduation rate at respective weights within the model (15% of total model) as well as a series of college and career ready indicators (10% of total model) for a total of 25% of the total model.
