MANAGEMENT TEAM REVIEW:

BACKGROUND INFORMATION:

As directed by the Board, Member Ortiz-Parsons and Board staff reviewed existing rules and policies governing the Professional Practices Advisory Committee (PPAC) and daily investigative procedures. Based upon this analysis it is recommended that the Board amend R7-2-205, R7-2-701 and R7-2-703 to:

- Establish the ability to create multiple PPACs to allow for the more timely adjudication of cases;
- Restructure the PPAC membership to include a parent representative; and
- Include provisions to notify victims of proceedings and allow for submission of victim impact statements as part of PPAC proceedings.
