Match Records in Student Section Enrollment with the parent Course Section on [LEA ID],[School ID], [Course Identifier],[Course Identifier System],[Session], [Timetable Day identifier], [Class Period], [Teacher 1 Last Name], [Teacher 1 First Name], and [Section Identifier]. If the course is an externally provided course, a district may opt to leave the Teacher 1 first and last names blank if they provide the External provider teacher 1 first and last names. In this case, they must provide the external provider teacher 1 first and last names in the Student Section Enrollment file and SRM will match using those fields.
