Standard(s) addressed: Academic Development

Standard A	A:A1.4-5	Standard B	A:B1.2, 3, & 5
	A:A2.1-4		A:B2.2 & 5-6
	A:A3.5	Standard C	A:C1.1 & 5-6

Materials Needed:

Power point, projector, laptop, worksheets, notebook paper

Approximate length of lesson:

90 minutes

Objectives:

The student will: Understand graduation requirements

The student Will: Analyze transcripts

The student will: Apply credit recovery options.

The student will: Create a persuasive paragraph that relates to a real-life situation.

Set: What is the main goal of high school? Everyone in here shares the same goal. Students, parents, & school officials all want the same thing: YOU to graduate. That is why you are here.

Activity:

1. Notes using power point presentation.
2. Junior transcript evaluation.
3. Senior in danger transcript analysis.
4. Use decision-making model to organize action plan.
5. Create a paragraph to analyze action plan for struggling senior.

Closure: Your choices now, affect you later. Please don't put yourself in the same position as this senior. If you find yourself in the same or similar situation realize there is still hope - just ask for help.
