

## Brain Rule 2 Class Discussion Points

1. **“We took over the world by learning to cooperate and forming teams with our neighbors.”**

**What is the lesson here for school?**

2. **If someone does not feel safe with a teacher or boss, he or she may not perform as well. If a student feels misunderstood because the teacher cannot connect with the way the student learns, the student may become isolated.**

**Discuss a time you did not feel safe or understood by a teacher/boss?  
Did it affect your learning/performance?**
