

Education Professions II
Classroom Management
Student Lesson Directions/Presentation Criteria

TSW create a lesson/presentation for the class concerning their assigned classroom management approach.

This _____ minute lesson will include the following:

*Lesson plans should be constructed on the template; lessons should include the following components;

- a. Objective
- b. Anticipatory Set
- c. Task Analysis (include notes/info)
- d. Student engagement strategies used
- e. Must include technology
- f. Check for Understanding – (could use “clickers)

- g. Questions to assess learning
(to be turned and graded by the group)
- h. Cite District and State competencies

*Each group is expected to have all materials typed. All students must participate in the teaching of the lesson.

*All lessons are due on _____.

*Students must submit at least 4 to 6 assessment questions based on their lesson. These questions should be taken directly from the notes given to your students.
