| | | | | | | Hands-on learning is our core methodology in the school.Our E.E.L.S Program (Experiential Education on Land n' Sea) travels students all over the US and Central America, including 6 week field studies in the rainforests of Costa Rica and marine biology studies in Panama and Belize in the Caribbean. Science and Social Studies are emphasized with integration of Math, Language Arts and Spanish. Trips range at a minimum of three weeks up to 12 weeks and are offered from grades 5-12. These intense field studies are based on curriculum from the AZ State Standards and change every other year. They are grade specific and have proven to be very effective in all areas: academics, character education, social skills and emotional development. |
