

ARIZONA CAREER LADDER PROGRAM

Participating districts

Twenty-eight (28) districts representing diversity in size, location and student populations participate in the program. The first fourteen districts (Group 1) were phased in over three years beginning FY 1985-86. Seven districts (Group 2) received approval to budget for a program beginning in FY 1992-93 and seven districts (Group 3) begin participation in FY 1993-94. There has been no new funding appropriation for additional district participation since FY 93-94.
