

**INFORMATION FOR COLLEGE VENDERS ATTENDING THE  
2011 FEA STATE CONFERENCE  
GRAND CANYON UNIVERSITY**

Let me personally welcome you to participate in this year's FEA State Conference on March 3-4, 2011 at Grand Canyon University. We are expecting over 800 future teachers (juniors & seniors in our program) to attend. They are making critical decisions on where they want to continue their career pathway into teaching, so this is a great venue to assist them with their decision. The format has changed and I believe you will find your time much better spent with the new layout. I have included the agenda for the conference to better provide you with the information related to your session.

We will provide you a display table in the general session area as before. You will be given a table to display your college education program and distribute any literature related to your program in the general session hall, and we are also setting up a session where the various colleges and universities can share directly with students in a panel format. We would like for you to invite a college student to accompany you for the first days breakout out session at 10:00 & 11:00 on March 3<sup>rd</sup>. We believe having a student perspective and sharing their perspective and experiences can have a great influence on our students. Please bring enough materials to distribute to students attending and be prepared for student questions about your college.

You are welcome to stay and join us for lunch. You are also welcome to return on day two (March 4<sup>th</sup>) to run your table in the general session hall. There is no charge to be a vender. All we ask is that you provide a door prize for the students that will be given out during one of (3) general sessions. If you plan on participating, please let Gerry Corcoran know no later than February 7<sup>th</sup>, 2011. You may contact him at:

[Gerry.corcoran@azed.gov](mailto:Gerry.corcoran@azed.gov) or phone: 602-542-5315
