**SCHOOL FINANCE MEMORANDUM 06-019**

**TO:** The County Assessor's Office and the County School Superintendent  
**FROM:** Philip Williams, Deputy Associate Superintendent of School Finance  
**DATE:** October 18, 2005  
**SUBJECT:** TY 2005 Assessed Valuation Electronic Reporting Requirement

Pursuant to A.R.S § 15-994. B., "the county assessor is required to transmit values to the county school superintendent as provided in section 42-17052, the assessor of each county shall provide in **electronic format** to the superintendent of public instruction the assessed valuation used for determining the primary property tax rate and the secondary property tax rate for each school district in the county." The values reported must exclude the SRP Voluntary Contribution Amounts – these values are received under separate cover directly from SRP. The TY05 Assessed Valuation values reported shall be representative of the official rate and levy sheets used to set the tax rate of each district for FY06.

To facilitate this request, formatted Excel files that include all districts within each county have been created and are available for downloading at <http://www.ade.az.gov/schoolfinance/Reports/APORCounty/> Please note that an Unorganized Territory row is included in those counties where applicable.

Please complete your county's FY06 (TY05) Assessed Valuation Excel file and send it to School Finance at [SchoolFinance@ade.az.gov](mailto:SchoolFinance@ade.az.gov). Please enter "**Primary Assessed Valuations for STATE AID**" in the subject line of the email.

As an alternative, comma delimited files will also be accepted via email, but these files must be limited to required fields:

- name of School District and/or Unorganized Territory,
- primary and secondary assessed valuations, and
- District CTD number.

Files are due to ADE by November 15, 2005.
