SUBJECT: Announcement of SY14 Fresh Fruit and Vegetable Program Schools

Original Signed

The Arizona Department of Education (ADE) is pleased to announce the grant award recipients for the United States Department of Agriculture's (USDA) Fresh Fruit and Vegetable Program (FFVP) for school year 2013-2014 (SY14). Please see the subsequent pages for a list of schools selected to participate.

ADE received over 200 FFVP applications for SY14. Grant selections were given to schools with the highest percentage of low-income students to the maximum extent practicable.

Arizona received approximately \$3.31 million from USDA to distribute to the grant recipients. The amount of funds allocated to each school is based on school enrollment and the \$50 per-student allocation for SY14.

The FFVP provides funding to Arizona schools for the purpose of providing a variety of fresh fruits and vegetables to their students during the school day. The goals of the FFVP are to create healthier school environments by providing better food choices and to make a difference in children's diets to impact their present and future health. This includes expanding the variety of fruits and vegetables that students experience, while increasing their fruit and vegetable consumption.

For questions regarding the FFVP, please contact Jennifer Gordon by phone at (602) 542-8704 or by email at Jennifer.Gordon@azed.gov

This institution is an equal opportunity provider.
